## COLLECTIVE IMPACT: CONSIDERATIONS FOR LOCAL PARTNERS

(Or, it's not where you start, it's where you finish.)

# Three Collective Impact Stories...

United 2020

Zero to Five

West Dallas Community Collaborative

# What Does This Mean for Us?

Can we broker relationships... through data?

Can we move folks beyond Data Driven and toward Data Informed?

Can we recognize the Collective Impact initiatives that don't call themselves that?

Can we build upon existing capacity, and build up capacity where it's needed?

Can we increase representation among the "steering committee?"
